

Exodus Referral Program Terms and Conditions

1. The Exodus Referral Program is open to current users of Exodus who successfully refer eligible new users, and new users of Exodus who refer other new users. Both new and existing users will be eligible for the offer after they have successfully verified their identity through Securitize, and registered a wallet with Exodus. Securitize is a third party SEC registered transfer agent, and Exodus does not retain any personal user information as part of this process. Current Exodus users may choose to share a referral code or link with anyone who is an eligible new user, meaning they have not completed Securitize's identity verification process or registered a wallet with Exodus in the past. Users who do not meet the conditions in this paragraph are ineligible for this offer. Exodus reserves the right to decline user referral payout requests without notice and at its sole discretion.
2. For eligible users who have satisfied the requirements of the Program, Exodus will provide a certain dollar amount of rewards in the form of USDC that will be sent to the Algorand address associated with that eligible user. There is no limit to the number of referral payments an eligible user can receive in exchange for referring new users. New users who are referred may earn referral payments by referring other new users.
3. Exodus bears no responsibility for any tax implications related to rewards. Any tax obligations related to this offer are the sole responsibility of the user. Exodus will report referral payments to any one user equaling \$600 or more to the IRS as required by US tax laws, and will issue an appropriate tax form to any such user. By participating in the Program, you acknowledge and agree that your personal information may be used in connection with such required reporting.
4. Exodus will use real time exchange rates at the time awards are sent to calculate the final reward amount for each eligible referral.
5. Exodus reserves the right to disqualify any user from receiving rewards from this program if Exodus or Securitize suspects a user has engaged in fraud, or other dishonest or abusive activities related or unrelated to this offer.
6. Exodus does not guarantee a payout on every referral due to the limitations mentioned above and risk of fraud, but we will make a good faith effort to do so whenever possible. In addition, Exodus reserves the right to withdraw, suspend, or change the terms of the referral program at any time, at its sole discretion, including due to changing market conditions, risk of fraud, or other reasons. By participating in the referral program, you acknowledge that Exodus does not guarantee that you will receive any payout.
7. Exodus is not responsible for any issues arising from verification with Securitize. If you experience any issues with verification, please contact Securitize for assistance.
8. Do not submit fake, duplicate, or test data or information to Securitize, or you may be permanently blocked from this program. Do not attempt to use another person's liveness

record, or you will be blocked from the program. If you have previously opened an account with Securitize or submitted any identity verification documents to Securitize in the past, your new account might be flagged as a duplicate and that could impact your ability to receive payments as part of this program.

9. The Referral Program is not available to anyone in a jurisdiction that is either subject to US sanctions laws or that is currently not supported by Securitize. At the current time, sanctioned or unsupported jurisdictions include Afghanistan, Albania, Algeria, Bangladesh, Belarus, Bolivia, Bosnia, Burkina Faso, Cabo Verde, Cameroon, Central African Republic, China, Cuba, Congo, Croatia, Egypt, Eritrea, Ethiopia, Haiti, Honduras, Kenya, Kosovo, Iran, Iraq, Ivory Coast (Côte d'Ivoire), Lebanon, Lesotho, Libya, Liberia, Mali, Macedonia, Mauritius, Morocco, Mozambique, Myanmar, Namibia, Nepal, Nigeria, North Korea, Pakistan, Qatar, Russia, Saudi Arabia, Senegal, Serbia, Sierra Leone, South Sudan, Sri Lanka, Sudan, Syria, Tanzania, Uganda, Ukraine, United Arab Emirates, Venezuela, Western Sahara, Yemen, and Zimbabwe. This list is subject to change at any time.
10. All referral program participants must agree to and abide by all provisions of the Exodus [Terms of Service](#). If you have any questions, please contact [Customer Service](#)
